

**November 23, 2012**

**Below are anticipated construction activities for the week of 11/26/2012.**

**\*\*While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

#### **CENTER TOWNSHIP**

Restrictions may be in place on the following streets while resurfacing work is underway.

- 30<sup>th</sup> Street from Central Avenue to East Fall Creek Parkway North Drive
- 34<sup>th</sup> Street from Central Avenue to Ruckle Street
- Alley 50 E from 33<sup>rd</sup> Street to 34<sup>th</sup> Street
- Alley 775 S from Dead End to Russell Street
- Central Avenue from 38<sup>th</sup> Street to East Fall Creek Parkway North Drive
- Drexel Avenue from Washington Street to 10<sup>th</sup> Street
- English Avenue from Pine Street to Calvary Street
- George Washington Park roads
- Orange Street from East Street to the dead end west of I-65
- Orange Street from Meridian Street to Madison Avenue
- Virginia Avenue from Woodland Avenue to Prospect Street

Restrictions have been removed on Delaware Street from McCarty Street to South Street. Delaware Street in this section has been converted from an exclusive one-way northbound street to a two-way street as of Tuesday, November 20. Punch list items will be performed over the next few weeks so watch for intermittent daytime restrictions.

Restrictions have been removed on Delaware Street from South Street to Maryland Street. Delaware Street in this section has been converted from an exclusive one-way northbound street to a two-way street as of Tuesday, November 20. The contractor is still working on South Street, just west of East Street installing a mono-tube overhead structure that will have the overhead lane control signage on it. This work will be performed this week after the Thanksgiving holiday weekend. Punch list items will be performed over the next few weeks so watch for intermittent daytime restrictions.

The intersection of Henry Street and Alabama Street is now open. The contractor is placing dirt behind the new sidewalks on Alabama in preparation for the winter months. Alabama Street, south of Henry is still closed as Eli Lilly completes the work on their parking lots.

Restrictions will be in place on the bridge on Emerson Avenue north of Massachusetts Avenue while bridge rehabilitation is underway. Restrictions may be in place on Massachusetts Avenue under the bridge. This project is also on the border of Warren Township.

Restrictions may be in place while downtown brick sidewalk and street paver repair is underway. Locations include around Monument Circle, Market Street from Alabama Street to Capitol Avenue, and the Wholesale District (bounded by Pennsylvania Street, Washington Street, Capitol Avenue, and South Street). This project is a continuous "as needed basis" project through the year.

Pavement marking work is underway as weather allows along Keystone Avenue from 34<sup>th</sup> Street to 38<sup>th</sup> Street.

Restrictions may be in place on Jefferson Avenue between Nowland Parkway and Brookside Parkway North Drive while bridge rehabilitation is underway.

Restrictions may be in place on the following roads while curb and sidewalk work is underway.

- Capitol Avenue from 36<sup>th</sup> Street to 37<sup>th</sup> Street
- Intersection of Delaware Street and 25<sup>th</sup> Street

Restrictions may be in place on the east side of Capitol Avenue at the south side of the Union station underpass north of South Street while drive repairs are underway.

#### **Indianapolis Cultural Trail: A Legacy of Gene & Marilyn Glick**

Traffic restrictions on Virginia Avenue from South Street to the I-65 bridge are in place. Traffic has been moved further to the west side of Virginia Avenue (still one lane in each direction), and a different contractor has set up barrels and arrow boards on the east side of Virginia Avenue and will continue working on the curb ramps at some of the intersecting streets to the east of Virginia Avenue. The Cultural Trail contractor is working on punch list items.

On the Central Corridor (Washington Street), the paving between Capitol Avenue and West Street is complete. Final pavement markings were installed on Wednesday, November 21. The base concrete at the northwest corner of West Street and Washington Street is complete. Asphalt setting bed on this plaza is scheduled to go in on Wednesday, November 21 with the pavers immediately following on Friday, November 23 or Monday, November 26.

#### **Georgia Street**

Punch list items are being addressed. Please visit the project web page at <http://www.indy.gov/georgiastreet> for additional information.

#### **PIKE TOWNSHIP**

Restrictions may be in place on Michigan Road from Kessler Boulevard West Drive to 75<sup>th</sup> Street while construction of a pedestrian trail is underway. This project also extends into Washington Township.

Restrictions may be in place on 71<sup>st</sup> Street from Cross Key Drive to College Avenue while street and bikeway work is underway. This project also extends into Washington Township.
